

SHIKHAR VERMA

BACKEND LEAD ENGINEER

Mohali, Punjab, India | +91 9569757479 | shikhar1verma@gmail.com | www.theshikhar.com |  

SUMMARY

Backend lead with 7+ years building Python/Django/DRF microservices, REST/OpenAPI platforms, and LLM/RAG systems (LangGraph/LangChain). Cut latency to <1s at multitenant scale (150+ tenants) and shipped data pipelines (80k+ events/day) using PostgreSQL, Docker, Jenkins, AWS.

PROFESSIONAL EXPERIENCE

Innovation Technology By Design (TeamGPS), Backend Lead Oct 2021 – Present

- GPS Genie AI – Shipped AI assistant for employee activity summarization to 10+ companies.
- Social Feed – Built engagement platform; onboarded 100+ companies, 7,000+ employees
- Public API – Created OpenAPI platform; built 1:1 Meetings module (200,000+ meetings)
- Real-time KPI Service – Architected microservice ingesting 80,000+ datapoints/day; reduced latency from 20-40s to <1s across 150+ tenants

GreyB Services, Software Developer Jul 2018 – Sep 2021

- PQAI – Developed AI patent search platform (AT&T partnership); used daily by 1000+ users.
- Catalyst – Built ML patent analytics serving 50+ enterprise clients
- NPLSE – Created search engine aggregating 13 databases with Elasticsearch;
- Patent Pipeline – Automated crawler indexing 13.4M patents with weekly refresh

PROJECTS

Code Architecture Mapper (cam.theshikhar.com) Sep 2025 – Present

- Multi-agent AI system using LangGraph for automated code architecture understanding.

Document AI Chat (document-ai-chat.theshikhar.com) Aug 2025 – Sep 2025

- Production RAG application with pgvector + Google Gemini enabling semantic Q&A on PDFs

Portfolio Generator Jun 2025 – Jul 2025

- Open-source Next.js 14 template for one-click deployment with JSON-driven content

SKILLS

Languages & Frameworks: Python, Django, DRF, Flask, FastAPI, JS, React, Next.js, REST, OpenAPI

AI & ML: LangGraph, LangChain, RAG Prompt Engineering, OpenCV, LLM Agents, pgvector, ML/NLP

Data & Ops: PostgreSQL, MongoDB, Redis, Elasticsearch, Docker, AWS, Jenkins, JWT, RBAC/ACL

EDUCATION

Bachelor of Engineering in Information Technology 2014 – 2018

University Institute of Engineering & Technology (Panjab University)

- CGPA - 8.55, was IT co-ordinator in Training and Placement Cell

ADDITIONAL INFORMATION

- **Languages:** English, Hindi.
- **Awards/Activities:** Edison Award 2019 Silver in Applied Technology category for AI-powered patent search innovation, Published Patent Application - US20230161800A1: Method to identify objectives from patent documents using ML/NLP
- **Sports:** Tennis
